CORAM : J.H. BHATIA, J.,
DATE : 13TH MARCH, 2007

P.C.

1) This application was made seeking direction to the Respondent no. 1 to deposit arrears of maintenance in Recovery Application No. 187 of 1999. In fact, it appears that against the order granting maintenance passed by the Magistrate, the Respondent no. 1 had preferred revision which was allowed and that order was set aside. Against the order of the Sessions Court, the present applicant had filed Revision Application No. 272 of 2002

wherein interim stay was granted to the order passed by the Sessions Court and on that basis present application came to be filed. However, it appears that the revision application no. 272 of 2002 has been already dismissed due to failure of the applicant to comply the Office objections. Therefore, the stay order granted by this Court stands automatically vacated.

2) In view of above circumstances, no order is required in the present application. Application stands rejected.
